

WELCOME!

Hanukkah, also known as the Festival of Lights, is an eight-day Jewish holiday that celebrates religious freedom and justice. During Hanukkah, Jewish families around the world gather to light candles after sundown, play games, sing songs, exchange gifts, and eat special foods cooked in oil.

This year's Hanukkah Family Festival illuminates the light of hope, courage, and perseverance that enables us to achieve amazing things together.

We invite you to enjoy live music and storytelling, hands-on art projects, games, and tasty Hanukkah treats in celebration of our light.

**Enjoy the day—
we are grateful that you're here!**
